

WILDLIFE FOREVER ANNUAL REPORT TO MEMBERS & DONORS

January 1, 2016 through December 31, 2016

FINANCIAL OVERVIEW

Wildlife Forever ended 2016 with operating revenues of \$1,383,657. Wildlife Forever spent a total of \$1,347,620 on conservation efforts. This represents 93.9% of all expenses. Wildlife Forever provided funding for projects covering 48 states.

Expenses for administration and fundraising were \$86,048.

Wildlife Forever has its financial statements audited every year. The 2016 audit was completed on February 22, 2017, by the accounting firm of Lewis, Kisch & Associates, LTD. The opinions of the auditing firm are that Wildlife Forever's financial statements "present fairly, in all material respects, the financial position of Wildlife Forever as of December 31, 2016". The results of their tests disclosed no instances of non-compliance, and they "did not identify any deficiencies in internal controls that [they] consider to be material weaknesses".

Our emphasis, as always, is on the responsible stewardship of the funds our members and donors have entrusted us with. I am thrilled by the significant increase in our efficiency and that 94¢ of every dollar spent goes to conservation.

Respectfully submitted,
Douglas H. Grann
President & CEO
